ABOUT THE ESSENTIALS OF DENTISTRY

Essentials of Dentistry (Essent Dent) is a peer-reviewed, open-access, online-only journal published by Istanbul University-Cerrahpaşa.

Essentials of Dentistry is a triannual journal published in English in January, May, and September.

Abstracting and Indexing

Essentials of Dentistry is covered in the following abstracting and indexing database;

- DOAJ
- EBSCO

All content published in the journal is permanently archived in Portico.

Aims, Scope, and Audience

Essentials of Dentistry aims to contribute to the literature by publishing manuscripts of the highest scientific caliber in all fields of dentistry. The journal publishes original articles, reviews, rare case reports, and letters to the editors that adhere to ethical guidelines. The scope of the journal includes, but is not limited to, periodontal diseases, dental implants, oral pathology, oral and maxillofacial surgery, endodontics, oral diseases, and restorative and esthetic dentistry.

The journal's target audience includes specialists, researchers, and professionals who are working in and interested in the field of dentistry and related disciplines.

You can find the current version of the Instructions to Authors at: <https://essentdent.org/en/instructions-to-authors-106>.
